Dear Ipswich Horse Society

I would like to thank you for your recent donation of £1,347.00 to East Anglian Air Ambulance, raised during a Charity Horse Event.

We truly appreciate your support and look forward to putting your gift to the best possible use, saving lives.

The East Anglian Air Ambulance started 16 years ago, flying just 1 day a week from Norwich Airport. We've since gone from strength to strength and now have 2 state of the art helicopters - flying across 4 regions - 365 days of the year!

We carry more state of the art equipment than ever before, have more cabin space meaning our crew are able to offer treatment in flight, and even have room for loved ones to travel when needed.

It's only because of the fantastic support of our local communities, from people like you, that we can keep flying and keep growing. Achieving even more and saving more lives than ever.

So thank you, for your donation and your amazing support.

Together we save lives.

Kind regards,

Chief Executive

Together we save lives

Thank you for helping us to provide life-saving services. Without your support we would not be able to fly our dedicated air ambulances. Our helicopters are based at Cambridge and Norwich airports and can reach anywhere in the region in under 25 minutes, ensuring our Doctors and Critical Care Paramedics are on scene as quickly as possible.

East Anglian Air Ambulance is proud to serve the communities of Bedfordshire, Cambridgeshire, Norfolk and Suffolk.
